VOL. 10, NO. 221 MONESSEN, PA., FRIDAY, FEBRUARY 23, 1912 SIX CENTS THE WEEK

A MONESSEN MAN KILLED

Samuel Feldman, aged 54 years was instantly killed Thursday evening at Black Diamond by being struck by a shifting engine on the P. V. and C. railroad.

Feldman drove a delivery wagon for Harris Brothers, the well-known bakery firm of Donner avenue and Oneida street, and was at Monongahela, just finishing up on his bread delivering route, it is thought, and was in the act of driving across the railroad tracks at Factory street at the upper end of the town. At this point, it seems, a house standing close to the railroad obstructed the man's view and as he drove onto the tracks his team was struck by the shifter.

The body of Feldman was badly mangled, the horse killed and the wagon is a total wreck.

The body was taken to the undertaking rooms of Scurfield and Hodgson where it was given proper attention and word sent to Harris Bros., notifying them of the accident.

Deceased was married and leaves two sons Harry and Samuel, both living in Detroit, Mich. He had been in Monessen two years and was well liked. A sister, Mrs. David Freidman resides in McKeesport. He was a member of Tube City Lodge No. 1, I. O. S. of D. The body will be buried in the Donora cemetery, but arrangements for the funeral had not been completed as we go to press.

A CARD TO THE PEOPLE

We take this opportunity of notifying the public and our customers especially that we have sold our store to Mr. D. F. McQuaid of Irwin Pa., and it will be known in the future as McQuaid's Shoe Store. Mr. McQuaid is a practical shoe man and a man of the highest integrity. We wish our customers and the public in general, many thanks for their patronage with us and would like to have them still continue to buy their shoes from our successor at the same place, 456 Donner avenue, knowing that they will receive the most courteous treatment and the same high standard of shoes we were always glad to give the people.

Yours very truly,
Hoskinson-Smith Shoe Co.

H. N. Odbert is a business caller in the county seat today.

GOOD BASKET BALL GAME TO-NIGHT

This evening at 8:15, the Christian Sunday School team and the Donora M. E. team will clash in a basket ball game in the basement of the Christian church on Sixth street. A good games is promised all who attend, admission is free and competent officials will be in charge of play. The Donora boys are holding down third place in the Church basket ball league in that town and no doubt will give a good account of themselves. The Christians will line up as follows: Forwards: Grimsley and Zell, guards, Scott and Leathers and center Martz.

SOMETHING FINE AT THE OLYMPIC

The moving pictures being offered this afternoon at the Olympic theatre are among the best that have ever been produced by any of the largest film companies. "Bedelia's Busy Morning," an intensely amusing comedy, full of laughs, "Little Dove's Romance" a beautiful comedy drama and "I Never Said A Word," the biggest hit ever produced with a plot as follows:

Mr. Joy is a model husband and Mrs. Joy's life is indeed full of joy. At his law office, Mr. Joy discovers that a popular play is to be given tonight at the opera house, and decides to take in the show with his better half. Just as he is telling "Dearie" over the telephone to prepare for the theatre, Mrs. Tittle, one of his clients, enters the office and overhears the "date." She leaves the place, and, on meeting Mrs. Tattle, tells her of Mrs. Joy's faithless husband. Mrs. Gabler soon joins the pair and they keep close tab on Mr. Joy.

The Joys are having a joyful time prepartory to going to the theatre, when the three put in an appearance. Mr. Joy shows the ladies the door. Out in the street, both Mrs. Tattle and Mrs. Gabler fall upon Mrs. Tittle and give her rather a rough deal. Mrs. Tittle seems unable to understand the situation, for the poor soul exclaims "I never said a word." It

SUNDAY WILL BE A BUSY ONE IN CLOSING UP EVANGELISTIC REVIVAL

The union revival services are nearing an end after a three weeks' run in Monessen, most of the meetings having been held in the opera house from the reason that the crowds at first were such as to overtax the largest churches of the town.

The song service last night by the Chorus was led by Prof. Davies and as usual was a entertaining feature of the evening's program. The services proper were continued with prayer by Rev. Wallace and the scriptural reading by Evangelist Porter—Hebrews second chapter, followed by prayer by Rev. Eveler.

The evening's sermon was delivered by Rev. McCormick from Blair, Pa., the drift of the theme being: "How Shall We Escape?" Answer, by obeying God and receiving life or, disobey and perish. In substance, christianity is the only salvation.

Jack Spade is still here and last night he led in prayer and offered his regular talk along the line of turn ye, look and live; or, no matter how low a man has been down, or how badly knocked out, there is still hope if he only accepts the offer of salvation and after making a resolution to reform, stick to it.

The closing song service was conducted by Wm. Williams of the Baptist church.

There will be church tonight in the opera house, but Saturday night there will be services in the Baptist church on account of a special request of a number of persons who have not been able to attend during the week. At that meeting Jack Spade will tell his famous "liver and beef story." This will be a most interesting service and should be well attended.

Sunday night will close the meetings and the services will be in the opera house. At that time the final collection will be taken which will be for the benefit of the evangelists who have been here for the three weeks.

Sunday afternoon the regular "men only" and "women only" meetings will be held in the Star theatre and in the evening a special children's meeting is being arranged for the Star theatre at the same hour of services in the opera house.

CUSHING AT COMMISSION POW-WOW

John J. Cushing left last night for Harrisburg where he has been called to act on the committee appointed by Gov. Tener to frame an Employers' Liability bill. Mr. Cushing was honored by being named a member of the committee to represent the steel industries. It is the desire of the governor to have the bill framed satisfactory to employers as well as employees and to this end a committee composed of representative men of the state has been selected. Mr. Cushing will be absent several days.

DEATH OF MRS. NEWCOMER'S FATHER

J. A. Hunter of Fort Recovery, O., died yesterday afternoon at 12:30 o'clock after an illness from complications extending over a long period. Deceased is survived by three children, Rev. Austin Hunter of Chicago, Mrs. J. A. Berkey of Boise City, Idaho, and Mrs. J. E. Newcomer of this place. The funeral services will be held tomorrow. Mr. and Mrs. Newcomer, accompanied by their two children, left last evening for Fort Recovery to attend the funeral.

Miss Alice Burbridge of McKeesport visited here last evening with Miss Sara Johnson.

Star Theatre

The three big acts on the boards at the Star theatre this part of the week undoubtedly comprise one of the best bills seen at this popular play house for some time. "The Three Bears" in a refined singing act presented something entirely new in the way of entertainment and made a decided hit with their repertoire of songs. Miss Alice Van, billed as vaudeville's greatest international dancer was in every respect up to what the programs announced her. Sutton, McIntire and Sutton, comedy novelty acrobatic artists in a sketch entitled, "The Rube, the Pumpkin and the Girl" were the hit of the show. Their acrobatic work is the best that has been here for some time. The show closes with an excellent picture shown by the Light Motion Picture machine. 1t

A HARROWING EXPERIENCE

About 4 o'clock Wednesday afternoon James and Mrs. Cullen, George Kramer, Glenn Davis, Arthur Cannon and Frank Blackshere attempted to cross the Monongahela river during the breaking up of the ice, on a ferry boat near Greensboro. The river was high, full of ice and running like a mill race. The ferry boat became unmanageable, it sprang a leak and was rapidly filling with water when it, with its terrified occupants was swept clear out of the water onto a large cake of ice. The six persons stepped out on the ice which appeared solid and started to make their way shoreward. All at once the ice broke loose from the shore and all were swept over the dam to what seemed certain death.

By chance or the guiding hand of providence, the ice floe slid over the dam without breaking and started down the channel after making a circle or two. The woman fell to her knees and prayed while the men kept a close lookout for some means of escape.

The river bank was lined by people, ropes were thrown out, pike poles and hooks were used, but to no avail. They could not reach the cake of ice. Eventually it struck a heavy ice gorge with a sudden jar, knocking all the occupants from their feet. Recovering from the shaking-up by the sudden impact, the six people clambered up on the gorge and made their way to shore in safty, but after an awful experience.

Good Attendance at Schools

Many visitors were in attendance at the various buildings of the public schools yesterday and the crowds this afternoon were even larger than those of yesterday. The exercises yesterday showed the effects of careful training and the entire teaching corps is to be congratulated on the splendid fruit of their labors, many of the teachers have worked both night and day in preparing the exhibits and rehearsing the exercises. It is to be hoped that the parents will not feel that they have to be invited to visit our schools, but that they will feel they are always welcome.

All Advertising is Profitable

From Wichita, Kansas, we get the information that one of her leading churches for last Sunday, tried an experiment in just plain, ordinary commercially-styled, paid for newspaper advertising, with surprising results. The church auditorium was crowded as it had not been for a long, long time. We have in a number of instances known the plan to be tried out and it always met with great success, but in this particular section of country the churches seem to be slow in learning how much they can or could help themselves and their cause just by the judicions use of a little printers' ink at frequent intervals. However they are gradually learning, as in Canonsburg it has been tried out and the result was very satisfying. It seems "The expense" is what stands in the way but the error will ere long be realized and churches or church managers will see the matter from exactly the same viewpoint as does the wide-awak, progressive merchant. It has so long been custom for the churches to get everything they ask in the way of publicity from newspapers for nothing that it just seems absurd or, as the old adage goes, "like pulling teeth" to pay out hard cash for valuable newspaper space. But many of the more progressive churches are gradually coming to see things rightly, and all will come to it in the end. It's business, and every day of the world, churches are being conducted more and more on plain practical business principles.

Ministers Start Ball Rolling

Says the Canonsburg Notes:—"It remained for a minister of California-on-the-river to take up the cudgels against the clubs with side-boards in Washington county. Score one for the State Normal school town." Yet the Monongahela Times questioned the Independent when it said it was up to the ministers here to do only what ministers see it their duty to do elsewhere, and as the Times, we think it was, a few days ago in commenting on what Westmoreland was doing along this line, remarked to the effect that there had been very little action taken in Washington county, taking the criminal court list as evidence. It does really seem a good thing that the ministers of California have thought it their duty to make the start. It may not be just "up to them" imperatively, but they realize a duty and have no fear in performing that duty in a fearless manner. They deserve much commendation.

We Need Something Like It

Pennsylvania needs some such law as has New York state to put a stop to the carrying of deadly weapons. In New York city the authorities think they have discovered the proper way in requiring that every person who desires to carry a fire arm must take out and pay for a license, and those who sell deadly weapons will be required to keep a record for public inspection, of those to whom they sell.

"The habit of carrying concealed weapons is responsible for many crimes, as a man who gets in the habit of constantly carrying with him a loaded revolver becomes more and more careless as time goes on, and is too often tempted to use it and in many cases with fatal result, where least intended, and even the efforts of the courts to break up the habit by heavy fines has failed to a great degree. Every subordinate officer in the county should assist our judges in their endeavors to lessen our murder cases by breaking up ths violation as far as thy possibly can.

With the fire in the kitchen "banked" high with coal, the damper in the stove pipe turned square across, all the bed chamber windows closed absolutely tight, both top and bottom, or perchance the stoves coupled up with gum hose—where gas is used—there could be not much surprise if there were more asphyxiations or suffocations from accummulating gas fumes. In fact it is only miraculous that there are not more fatalities than there are from this very source.

ARE MICROBES IN YOUR SCALP?

To People With Stomach Trouble

Professor Unna of Hamburg, Germany, and Dr. Sabourand, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebum, which is the natural hair oil, and when permitted to florish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots, and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently help to restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by aiding in making every hair root, follicle, and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

We exact no obligations or promises—we simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and $1.00. Remember, you can obtain it in Monessen only at our store—The Rexall Store. Craig's Drug Store.

GENEROUS OFEER

It Has Been Proved That Microbes Cause Baldness

Many readers of this paper suffer at times from indigestion, and a large number of them are badly rundown and have no appetite for their meals.

We wish to make an offer that is unusually generous. Our delicious cod liver and iron preparation without oil (Vinol) is a great strengthening tonic. It has also cured many bad cases of stomach trouble.

Mrs. Desire Goudreau, of Woonsocket, R. I., says "My husband was very weak and run down and had been in bad health for five years. He suffered greatly from pains in his stomach and had poor appetite. This spring I got him to take Vinol and it is simply fine. He has been growing stronger ever since, his appetite returned and he had no stomach trouble since taking Vinol."

So we say, if you have stomach trouble, are run down, played out and sickly, try Vinol at our risk. If it does not please you, we will give back every cent of your money. Hirsch Drug Co., Monessen, Pa.

Back Gives Out

Plenty of Monessen Readers Have This Experience.

You tax the kidneys—overwork them—

They can't keep up the continual strain.

The back gives out— aches and pains,

Urinary troubles set in. Don't wait longer—take Doans Kidney Pills.

Monessen people tell you how they act.

Mrs. F. W. Schadwald, 634 Reed avenue, Monessen, Pa., says: "I know that Doan's Kidney Pills are a good kidney medicine for they have been used by my relatives and have proven of the greatest benefit. About two years ago I began to suffer from a pain in my back and being told that I had kidney trouble, I got a box of Doan's Kidney Pills at the Hirsch Drug Co. They helped me from the first and before I had taken them long the pains and other difficulties had been removed. Doan's Kidney Pills certainly live up to the claims made for them."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

THE WINDSTORM CUT UP CAPERS IN MANY PLACES

The terrific windstorm of Wednesday night wrought havoc in many places but seemed to pass our city by with but little damage. In Monongahela one of the most severe storms that has visited that section for some time, was reported. The ventilating shaft in one of the school buildings and the trimmings on the M. E. church steeple there, were blown down. In Washington, the roof of the main building of W. and J. College was lifted from its resting place into the streets, over 50 feet away and reports from over Washington, Westmoreland and Fayette counties indicate that thousands of dollars worth of property have been destroyed by the ravages of the storm.

The Bijou

Another of our feature shows is being shown at the Bijou today. Something for everyone in "An Antique King" pronounced by moving picture manufacturers to be one of the finest films ever produced, and this is not saying too much for it. "Two Brothers," a strong Pathe—American drama that keeps one in suspense 'til every thread of the well laid plot is unravelled, and one other good picture are also to be shown. It

Pieces for Quilt.

I have found the following method of cutting pieces for a quilt to be a saving of time and labor, says a contributor to Needlecraft. Have the pattern cut from cardboard and a piece of beeswax pressed on each corner; then press the bit of cloth to the pattern, cut it out, remove it, and you are ready for the next without the trouble of putting in and taking out pins
